Research Experience

The Kansas Data Science Consortium:

Graduate Research Assistant

2024 Spring- Present

- Advisor: William Duncan, Ph.D.
- Funded by the ARISE project through the Kansas EPSCoR office and the National Science Foundation
- Assist the development of data science projects KDSC receives from community partners that are housed in its Community Data Labs program
- Assist the development of a public-facing repository of data science curriculum materials
- Assist the KDSC data science courses offered at the University of Kansas.

Handong Global University:

Research Assistant

2019-2021

- Advisor: Sung-Man Shin, D.Sc.
- Assisted research on *Development of MI-CBT Group Therapy via Televideo Conference* (Funded by Daegu Metropolitan Office of Education). Duties included IRB and writing report.
- Assisted research on *Manual Development of Education Program for Driving Under the Influence of Alcohol* (Funded by The Road Traffic Authority of South Korea). Duties included literature review, and writing report.
- Assisted research on *Development of Psychosocial Model for Gaming Overindulgence Intervention* (Funded by Korea Creative Content Agency). Duties included literature review, analyzing data, and writing report.
- Assisted a research on *Development and Verification about the Effectiveness of Anger Regulation Group Counseling for Couples in College*. (Funded by National Research Foundation of Korea). Duties included literature review, collecting data, developing the research through consensual qualitative research (CQR)

Work Experience

Pittsburgh Summer Methodology Series

June.2023 – June.2023

- Workshop assistance
- Course: Introduction to R for Social Scientists by Jeffery Girard, Ph.D.
- Course: Intermediate R for Social Scientists by Jeffery Girard, Ph.D.

Human Service Research Institute of Handong Global University

August.2020 – June.2021

- Full time research assistant
- Assisted government funded research

Teaching Experience

Graduate Teaching Assistant, University of Kansas

Course: Statistical Methods in Psychology

2023 Fall

- Grading, and student consultation

Course: Cognitive Psychology

2022 Spring

- Grading, and student consultation

Course: Behavioral Neuroscience

2022 Fall

- Grading, review session, and student consultation

Course: Abnormal Psychology

2021 Spring

- Grading, review session, and student consultation

Course: Child Development

2021 Fall

- Grading and student consultation

Undergrad Teaching Assistant, Handong Global University
